Course feedback

1. I would definitely recommend this training to others in Accenture!! – Sukirti Sen, Accenture

About Adaptive Processes Consulting

Adaptive Processes is India's leading best practice management firm focused on IT Governance, Risk and Compliance management. In last 7 years, we have served 125+ top-notch clients in India, US, France, Thailand, Singapore, Costa Rica. Some of our illustrious list of clients includes Accenture, GE, NEC, AkzoNobel, AXA, CTS, Wipro etc. to name a few. Adaptive offers product, service and trainings in Business Analysis, Project Management, Quality and Security domain.

Adaptive provides consulting, corporate and open-house [training services](#) in business analysis (BABoK), project management (PMBoK), Agile Project Management using Scrum (Scrum Master Certified and Scrum Developer Certified) Quality (CMMI, ISO 9001), Information security (ISO 27001, HIPAA), business continuity (ISO 22301) and IT service management (ISO 20000). For year 2012, Adaptive is **India's No.1 business analysis training provider** with more than 30 workshops completed with fantastic feedback.

We have developed elearnings on the above mentioned areas. You can have a look at a sample [e-learning](#) here.

[GRCPeak](#), the Enterprise Governance, Risk and Compliance (GRC) management system from Adaptive can help clients to leap frog in their management system definition and implementation journey. It is fully compliant to CMMI Level 3, ISO 27001 and ISO 9001. GRCPeak is available in SAAS model and configurable to client's requirements. GRCPeak is already being used in prestigious organizations such as NEC, Aditya Birla Group, Infinite Computers, Sun Pharmaceutical, Zenith Software, Cross-domain, Secova IT Services and many more.

[iEnable](#), the Talking QMS from Adaptive is probably world's most interesting QMS and ISMS. iEnable features complete process learning system for CMMI, ISO 9001, ISO 27001 and ISO 20000. You can have a look at a sample [iEnable video here](#).
